## LUXURY IN THE WILD

For the curious traveller, an expedition is one of life's great journeys. It can take you to some of the most remote places on earth, landing on beaches undisturbed by tourists and islands uninhabited by man. And when you journey with Silversea, you can enjoy a complete immersion into your surroundings — but with an array of gilt-edged refinements rarely seen in expedition travel. You'll sail with a team of experts of the highest calibre — naturalists, anthropologists, ornithologists and the like who will give you a deeper understanding of your surroundings. Zodiac excursions, guided field studies and interactive walks are led by the best and brightest in their field. Come explore the fragile ecosystem of a rainforest. Dive on untouched reefs. Share in the traditions of jungle cultures... and experience stimulating, inspiring and even life-changing
